

The Shunned House: Very Weird Tales

Filesize: 4 MB

Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Juliet Mertz)

THE SHUNNED HOUSE: VERY WEIRD TALES

Createspace, United States, 2015. Paperback. Book Condition: New. 254 x 178 mm. Language: English . Brand New Book ***** Print on Demand *****.The Shunned House by H. P. Lovecraft - The Shunned House is a novelette by H. P. Lovecraft in the horror fiction genre. Written on October 16-19, 1924, it was first published in the October 1937 issue of *Weird Tales*. Howard Phillips Lovecraft died last March, at the height of his career. Though only forty-six years of age, he had built up an international reputation by the artistry and impeccable literary craftsmanship of his weird tales; and he was regarded on both sides of the Atlantic as probably the greatest contemporary master of weird fiction. His ability to create and sustain a mood of brooding dread and unnamable horror is nowhere better shown than in the posthumous tale presented here: *The Shunned House*.
