

Celebrity: How Entertainers Took Over The World and Why We Need an Exit Strategy

By Marina Hyde

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Celebrity: How Entertainers Took Over The World and Why We Need an Exit Strategy, Marina Hyde, These days, entertainers no longer just entertain: they advocate dubious 'religions', work for the United Nations, get face-time with heads of state and monopolise problems they are infinitely qualified to solve - problems like Africa, the Middle East, and AIDS. We stand at the beginning of a bright new chapter in human history. Feast your eyes, then, on Sharon Stone's peace mission to Israel, on a world where Angelina Jolie advises on the Iraqi reconstruction effort or Charlie Sheen analyses 9/11, and in which Jude Law's attempts to establish contact with the Taliban are reported without irony. Celebrity is a roadmap, a survivalist's guide, a Rosetta Stone for our times: without a copy you are not equipped to engage with the world.

Reviews

A new e book with a brand new standpoint. I am quite late in start reading this one, but better then never. I discovered this ebook from my i and dad advised this publication to understand.

-- Jada Franecki II

Here is the very best book i have got read through until now. I could possibly comprehended everything using this composed e publication. You will not sense monotony at whenever you want of your time (that's what catalogues are for concerning should you ask me).
