At night, I reach to extinguish the lights. I lay down, but then I realize the room is still well lit, so well lit as a matter of fact, that its brightness far exceeds the former light. I search the room to find the source of the light. I recheck the night lamp, although I m sure I ve turned it off. I look everywhere but I can t find its source. As I make my way to the bed, I stop.for I notice something strange. Yes strange indeed: the shadows seem to shift every time I move. It is at this point I realize that the light is flowing from inside of me. No sooner than I realize that I am the source of the light, the light grows brighter until all shadows peel away and there is no more place for them. Having found the source of the light, I lay me down to sleep, and pray to you, my soul to keep. But there s just one...

### Reviews

*This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.*
