## Education for Transition Toward a Global Society: A K-8 Social Science Framework (Paperback)

By Robert J Siegel

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Introduction After two world wars, and the creation of the United Nations Organization, there have been many attempts at laying down the contractual framework for what appears to be a painfully emerging global society. By bringing together political, scientific, and socio-economic representatives from around the world to consult on increasingly relevant and urgent issues to the earth s population (e.g. Rio Earth Summit, Socio-Economic Sustainability Conference in Copenhagen, Women s Conference in Beijing, to name a few), a heightened awareness of our interdependence has become a platform from which to attempt to solve today s complex problems. Yet, with all the reactive energies expended out of need, little has been done to proactively consider how we must prepare future generations for living, working, and thriving in an inexorably evolving global society - a future condition in which they are the protagonists. For twenty-five years, the author lived, worked and raised a family outside of the United States and participated in numerous international conferences and conventions in Central and South America, Europe and the Middle East. During that time, experience as...
