Ishi Press, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Attacking enemy stones is one of the most basic elements in any game of go, yet surprising little has been written about any theory of attacking. Methods of attack, selection of a target, timing, contriving a double attack - these are techniques which require a lot of trial and error to master. Kato s attack and Kill offers an invaluable shortcut. The author, Kato Honinbo, is known and feared as one of the most aggressive attacking players in modern go and in this book he presents a thorough and practical analysis of all the elements essential for a successful attack. There are a numerous examples from actual play, a problem section, and a selection of Kato s own games which feature attacking and killing large groups. Reading this book will transform your game.
