IN THE NEXT GALAXY (HARDBACK)

Copper Canyon Press,U.S., United States, 2002. Hardback. Condition: New. Language: English . Brand New Book. Ruth Stone has rightly been called America s Akhmatova, and she is considered Mother Poet to many contemporary writers. In this, her eighth volume, she writes with crackling intelligence, interrogating history from the vantage point of an aging and impoverished woman. Her honesty and originality give her writing a sense of youth and newness because she looks at the world so clearly, without all the detritus of social convention the rest of us pick up along the way. Her writing proves her to be simply inspired. --USA Today Ruth Stone was born in Virginia in 1915. She is author of eight books of poems and recipient of the National Book Critics Circle Award. In 1959, after her husband committed suicide, she was forced to raise three daughters alone. For twenty years she traveled the US, teaching creative writing at many universities, finally settling at SUNY Binghamton....
