MTOR ACTIVATES PKB/AKT AND PKC- IN CARDIAC HYPERTROPHY

Condition: New. Publisher/Verlag: AV AkademikerVerlag | Cell-Biology | Many people are suffering from cardiac hypertrophy, which can lead to heart failure. The numbers of patients, who are dying because of heart failure, are increasing. Therefore it is important to understand the underlying molecular mechanism of this disease. In cardiac hypertrophy the heart tries to catch up with the increased afterload by increasing the proteinbiosynthesis and cell growth making its ventricular walls thicker. In the beginning, the adaptation is physiological and...

Reviews

Very useful to any or all type of people. This is certainly for those who statte there was not a worth reading through. You can expect to like how the writer write this pdf.

-- **Dr. Rashawn Lang**

This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).
