Dover Publications Inc., United States, 2003. Paperback. Condition: New. Unabridged. Language: English . Brand New Book. As timely as it is timeless, this instructive book has captured the interest and imagination of boys for well over a century. Chapters on kite flying and fishing, rigging and sailing small boats, camping out without a tent, knot-tying for mountain climbing and other activities, as well as training dogs, raising wild birds, and other projects will appeal as much to today s youngsters as they did to children in the late 1800s. This classic includes scores of projects that will keep children occupied all year long ? from sculpting snowmen and making sleds to stocking aquariums and performing puppet shows. Many of these enterprises have also been known to compete effectively with TV and video games! Best of all, the projects have the power to inspire the imagination and help youngsters master new skills and experience the satisfaction of personal accomplishment.
