This book may be worth purchasing. I am quite late in start reading this one, but better then never. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Breaking free from her structured life, Chloe English quits her high-powered job and moves across the country to work as an art teacher. Orphaned as a teenager, Derek Sumner has found a place in his best friend's family. However, the love and support of his surrogate parents and siblings can't erase the grief and loss he struggles every Christmas to banish. But this year he meets the fun and sexy Chloe, whose optimism and sense of joy are incredibly contagious. Can she help him face his bleak past so they can forge a happy future?.
