Reviews

Definitely among the best book I have possibly read. I have study and i am sure that i will going to go through once more once more later on. Your lifestyle span is going to be convert when you full looking at this publication.

(Prof. Damon Kautzer III)

COLONIAL FOOD (PAPERBACK)

Bloomsbury Publishing PLC, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Of the one hundred Pilgrims who settled at Plymouth in 1620, nearly half had died within months of hardship, starvation or disease. One of the colony s most urgent challenges was to find ways to grow and prepare food in the harsh, unfamiliar climate of the New World. From the meager subsistence of the earliest days and the crucial help provided by Native Americans, to the first Thanksgiving celebrations and the increasingly sophisticated fare served in inns and taverns, this book provides a window onto daily life in Colonial America. It shows how European methods and cuisine were adapted to include native produce such as maize, potatoes, beans, peanuts and tomatoes, and features a section of authentic menus and recipes, including apple tansy and crab soup, which can be used to prepare your own colonial meals.
