Praise for the 1988 edition: In this thoughtful volume, Senator Lugar elegantly sets forth his views on the challenges that will confront the coming administration in the conduct of our nations foreign policy. Henry A. Kissinger A thoughtful set of foreign policy prescriptions by one of the Senates most thoughtful leaders - it should be read by our next President, even if he is not an enlightened conservative! Zbigniew Brzezinski Richard Lugars leadership in foreign affairs has impressed me as one of the soundest in public life today. His book reflects the depth of his experience and insights. Max Kampelman The next President should welcome and greatly benefit from the responsible and experienced policy recommendations of Senator Dick Lugar. Gerald Ford The Senator shows that it is possible to be principled even in international politics and still come out a winner. He is just as incisive and wise in this book, which clarifies some of the most complex issues in the conduct of foreign affairs. Corazon C.
