HarperCollins Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Shake, Carli Davidson, A few years ago Carli Davidson was just another young photographer. To make money she worked as a zookeeper; and because she is a fervent animal activist, she volunteered at animal rescues. In 2010 she purchased a high-speed shutter camera and had the idea of combining her two passions. She began photographing the rescue dogs in mid-motion, pausing them at a thirteen-thousandth of a second. She called the project Shake and posted a few pictures on Facebook. They quickly spread virally, reposted over and over. In 2011 a Shake photo was featured in Photo District News, the award-winning magazine for the professional photography industry, and won the prestigious 'Best Photo' award. Photographers were instantly impressed. By the third quarter of 2011, Carli's website was getting 30,000 hits a month. She only had a few Shake photos up, but everybody wanted to see them. Then the 'big publications' began to write about her: Huffington Post, New York Times, Vanity Fair Italy, to name just a few. In a 90-day period her site spiked to 8.5 million views. People were visiting the site from all over the world and the fan letters came pouring in. Shake is the answer to the fan requests Carli received over and over again. Everybody wanted more Shake photos. One hundred dangerously adorable models posed for the book. Sixty-five of them, including the likes of Scooby the Rottweiler, Greta the Shi Tzu, Twinkie the Jack Russell Terrier, and the famous, mixed-breed Ramen Noodle were selected. Two photographs of each dogs are featured side-by-side in the book to caption the motion of their shakes. One photo shows the dog beginning to turn; the other shows its wild hair and fabulous facial expression mid-twist. Many of the...
