Malias Magnificent Moontime is a heartwarming story about a girl coming to terms with her first menstrual period. Often our little girls reach puberty long before they are emotionally ready for it. They deserve a wholesome health education. Teaching our daughters valuable information about their menstrual cycle can be uncomfortable. Malias Magnificent Moontime makes conversation easy. Although this charming book is a narrative designed for girls aged 6-12, it includes helpful tips that any woman can use to enjoy more tranquil menstrual periods and improved feminine wellness.
