## PROTECT YOUR PERSONAL INFORMATION (PAPERBACK)

Trafford Publishing, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.This is a book that is going to provide you detailed information about the threats that you and your computer have when you enter the world of internet. It will discuss different ways through which you could protect yourself from intruders. This book covers all the major kinds of threats that you face when you go online. The book will even discuss the threats that your kids face when they go online. Since kids are not experienced and they are unaware of the consequences of the step they are going to take thus it is important for the parents to know the dangers their kids face on the world of internet. It is a kind of book that you should be bound to read once you get in an age where you start using computer and the internet. The book doesn't only highlight the issues that one faces when they go online but it also provides the solution to the problems. Not only this but after reading the book you will be able to get to know about different technical terms, the reason they present a threat to your computer and the signals that you need to look for if you doubt you have become a victim. The book begins with the introduction to computer security and provides the reader with an overview of the issues and the threats that your computer could face if you do not care about it. The readers will be amazed to find the section on social media threats. Most of the people are not actually aware of the threats that they face when they sign up on a social media website. Thus the book is going to...
