Theodocia McLean s book, The Nephilim Phenomenon , is a unique approach to the Nephilim (offspring of fallen angels and human copulation). This might possibly be Theologians best kept secret. This is a fictional account of the Nephilim Phenomenon briefly described in the Bible. Her premise is that fallen angels survived the great flood that wiped out the earthbound Nephilim. This fictional accounting is set in the backdrop of a convention of people who are experiencing encounters with these fallen angels who have both de-evolved and evolved with an insatiable lust and the question remains, is this half-breed among us today?.
