Can you even handle the TRUTH? For cat cartoon enthusiasts, the truth has arrived, in cartoonist Molly Brandenburg's THE TRUTH ABOUT CATS. It's the funny, furry, follow-up to Brandenburg's first book of cat cartoons, EVERYDAY CAT EXCUSES, the hilarious exploration of the inner life of cats, published by Sterling Books in 2008. Brandenburg's cartoons are also currently a regular feature of the political website . THE TRUTH ABOUT CATS is a random series of cat cartoons that explores the major issues of the kitty universe, including theological concerns, sleeping in piles of other cats, and the real question of who exactly has first dibs on the kibble bowl. The book also introduces Frankie the cat, the loveably soulful cat with his eyes on a Hollywood career. In a series of lively line drawings, Frankie's story is revealed, as this weight-challenged black and white cat finds his status on the home front threatened when a tabby kitten moves in and takes over his special place on the bed. Small issues, perhaps, to humankind, but to a feline, finding the right place on the owner's bed is big time stuff, to be sure! THE TRUTH ABOUT CATS reveals all this and more. It's sure to be the cat's meow for cat lovers of every age. Available early November 2011 on and on! The truth is out there. And it's sure to have a lot of fleas.
