The Legacy of John Holt contains sixteen portraits of a radical teacher and writer whose ten books and work influenced schoolteachers and homeschoolers to help children learn in their own ways. Written by friends, colleagues, and homeschoolers who knew Holt personally, this book sheds new light on a pivotal figure in American education whose work continues to inspire the homeschooling movement (which Holt called unschooling). People who knew Holt from his college days until his death share stories and details about him that bring his quiet but forceful personality to life for readers and present his ideas about children and learning as part of their own lives, not just theory. So many of the voices that we now need desperately to hear seem to have faded in the media-celebrity din: Paul Goodman, Ivan Illich, John Holt, to name three who told the raw truth about modern education. Perhaps their relative obscurity today is because they were not empire-builders, gathering disciples, but old-fashioned prophets, letting the chips fall where they may. This new collection of testimony from those who knew John Holt well suggests still another explanation. Here we see how influence grows not by the establishment of reputations, but by inspiration to pursue one's own truth, bestow one's own gifts. This is a heartening realization in our dark times. Taylor Stoehr, author of *Changing Lives: Working with Literature in an Alternative Sentencing Program* and *The Paul Goodman Reader* John Holt departed altogether too soon. Thank God he left behind Pat Farenga to help lead the effort to make Holt's deep wisdom about children available to a new generation of parents and teachers. The contributors to Pat and Carlos book...
