

A Manual of Pharmacology and Its Applications to Therapeutics and Toxicology (Classic Reprint) (Paperback)

By Torald Sollmann

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from A Manual of Pharmacology and Its Applications to Therapeutics and Toxicology The volume can, therefore, serve both for study and reference. There may be some question as to the general advisability of combining text-books and reference books; but in Pharmacology this appears to be necessary, since every student may need more detailed information at any time. These objects necessitated a complete rearrangement, and fairly extensive enlargement of the book, and as the work progressed, it appeared plain that it meant not merely a revision, but the making of an entirely new book. With this enlargement of the text, it became necessary to practice the utmost economy of matter, in order to bring the contents within a single volume. This and other considerations prompted the separation of the Laboratory Guide In Pharmacology, which will be issued as a companion volume. The illustrations have also been omitted wherever the text could be understood without them. A further economy was effected by curtailing the discussion of the drugs of slight importance, thus leaving more space for the relatively few really important drugs. This...
