RIBA Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book. An authoritative and practical road map for those implementing and managing BIM workflows. With the 2016 deadline for BIM level 2 fast approaching and the growing realisation of the huge benefits BIM brings these skills are becoming industry essentials. Concentrating on the how rather than the why this will help you to adapt by clearly, and without jargon, explaining standard BIM processes, Government standards and the effective coordination of design, construction and asset information. Spanning both organisational strategy and day-to-day practical tasks it explores bottom line business reasoning as well as potential risks and challenges. Extra features include: * Case studies that demonstrate real world approaches as well as problems and solutions * Checklists for adequately resourcing BIM roles and responsibilities in relation to PAS-1192 * Self-check questions allowing you to evaluate your BIM implementation methodology This is the go-to guide for BIM Coordinators and Managers, architectural principals, design team leaders and architectural technicians ensuring you are BIM ready in 2016. It will also be invaluable for Part 3 students getting to grips with BIM strategy and implementation.
