ANGEL ON VACATION

My Fat Fox. Paperback. Condition: New. 124 pages. Dimensions: 9.0in. x 6.0in. x 0.3in. Would an angel take a vacation on Earth as a human? When 12-year-old Nicholai took a long train journey with his mother, a hypnotherapist, she asked him to relax and tell her about the pictures in his mind. To her astonishment, what emerged in this and subsequent sessions was an extraordinarily coherent account of an angel taking a much-needed vacation as a human on Earth. Nicholai tells us of his encounter with God, his trip to Hell to deliver a message and of his work as a carrier angel, convincing the sometimes reluctant dead to abandon their worldly obsessions and reconnect with The Whiteness. He recounts some of his experiences on other planets, dealing with demons, partying with other angels and being admonished by a Lord for neglecting his angelic duties. Nicholai also warns us that we are approaching the End Time of this planet through our destructive and warlike activities. Nicholai's matter-of-fact descriptions of such metaphysical concepts are both amusing and thought-provoking, leading the reader from laughter to wonder in a heartbeat. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
