

John s Amazing Mystery (Paperback)

By Lucille Turfrey

Xulon Press, United States, 2004. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.John s Amazing Mystery: The Unveiling draws back the curtain, lets in the light, and allows the biblical epic of Revelation to become user-friendly. Current events are laid alongside the ancient text, and its numerous parables are translated into living language and recognisable situations. The book accepts that global trauma may point to a present-day Apocalypse, though this is seen as just one alternative in several scenarios. The writer sets the scene by first drawing attention to what Jesus said about His promised return to earth and what we may expect will happen in the Last Days. The book then follows the outline of Revelation through seven astounding visions, each of which is analysed according to a set pattern. The cracking of codes is a feature of the work. Some innovative methods are employed whereby the mysterious becomes visible and believable. The book is set within the context of eternal issues.
