THE UGLY SECRETS OF PRIVATE ROY (PAPERBACK)

[DOWNLOAD](#)

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Ugly Secrets of Private Roy chronicles the treacherous journey of one young Harlemiter's US Army career during America's iconic 1960s decade. PVT Edward Roy raises many heated questions and exposes America's dark secrets by declaring that the US government continues to hide its horrific secrets from the American people. From the horrors of the holocaust in WWII, the clash in Korea, the Cuban Missile Crisis, the Vietnam conflict, the Cold War in Europe, the testing of Chemical, Biological and Nuclear Weapons on unsuspecting American soldiers emerges the story of Private Edward Roy, a.k.a. The Milkman. He reluctantly joins the US Army in 1962, against the wishes of Malcolm X, in search of his true American identity and marches head long into the most momentous events in American history. So many heated questions are raised. Over 50 years have passed since the assassination of President John F. Kennedy, and 75 percent of the American people still don't believe a single gunman was responsible for his death. This year also marks the fiftieth anniversary of the assassination of Malcolm X, and the FBI continues to withhold information on their role in his death and the death of others. Riveting, dramatic, and based on truth, The Ugly Secrets of Private Roy sheds new light on those who orchestrated the killings of both JFK and the black activist; as it explores a host of Ugly American Secrets committed during the 1960s -Was the AIDS virus developed and used as a weapon of mass destruction? -Why exactly did the French Government deny Malcolm X entry into France on February 9, 1965, a few days before his death? -Why...
