Reviews

*A must buy book if you need to adding benefit. I have read through and i also am certain that i will likely to read through once again yet again in the future. Its been designed in an exceedingly simple way and is particularly merely after i finished reading this publication by which really modified me, modify the way i think.

VERSUS THE API: AND OTHER ODD SHORT STORIES

Outskirts Press, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.My objective here is to persuade you that this book is worth taking the time to read. How can I do that? By convincing you that I am an unusual person and that this collection of stories is different from the typical. Let me explain. Why am I unusual? Well, for a start I have written my own autobiography; that should narrow the field a bit. Then I have done a loop-the-loop in a small bi-plane; that should narrow it further. On top of that I have been storm-bound in a ketch off the Welsh coast for two days; I have been a suspect in a supposed murder investigation; I have attended a trance-channeling session; I have lived through the entire cycle, so far, of the computer revolution; I have had my house burn down; I have been the victim of events the likelihood of which represent absurd odds against them happening. The list goes on and on. Of course each one of us is unique, but my uniqueness has been molded by the extraordinary and sometimes bizarre experiences I have encountered along the way. The collection of short stories reflects in part some of the experiences just alluded to. Others just occurred to me as a result of dreams, I am a constant dreamer, and my imagination. There is no common theme to them and they vary enormously in concept, content and construction. They range all the way from the ridiculous (Are You Superstitious?) to the sublime (Letter to Stephen); from the pure fictional (Versus the API) to the factual (An Ill Wind); and from the supernatural (...)
