Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. There is something extremely powerful about sharing our unique faith journey with others. In Christian circles this is called our -testimony.- Scripture tells us that sharing our testimony is a vital aspect to a faith that will triumph over the evil one: -They triumphed over him by the blood of the Lamb and by the word of their testimony; they did not love their lives so much as to shrink from death.- Revelation 12:11 In his book, Milestones On My Path, Chris Parker shares compelling stories from his own faith journey. Like looking through a well-cut diamond, these stories shed light on many facets of our walk with Christ from pre-conversion to spiritual maturity. This book has something to teach both the new believer and the veteran saint. Chris stories serve as parables to teach us such vital lessons in the areas of, forgiveness, honesty, courage, wisdom, relationships and God s faithfulness through it all. Written in a refreshingly honest style, Milestones On My Path, will draw you in and challenge you to grow in Christ. Perhaps the secret power of our testimony is discovered when we see that -our story- is actually -God s story- having been written on the page of grace with the pen of His love. You will find both as you read this compelling book! R. Sonny Misar Journey Ministries.
