Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Hiding out in a mental institution isn't glamorous. But I call it surviving. I'm blissfully unaware of the world outside thanks to the hospital's walls-and spell-that hide me. Until a ghost shows up, talking about his friends being marked by a demon. But not just any demon. The same one who marked me and wants me dead. My father. Fearful that Daddy Dearest could be my next uninvited guest, I choose to follow the ghost to his four very alive friends. To my relief, they want Salrus dead just as much as I do. What I'm not prepared for is finding out that Zane-the alpha wolf shifter-is my mate, and the demon mark links the six of us-ghost included-together on a deeper level than I ever imagined. Teaming up and preparing to face the demon stirs up passion and dark secrets none of us are really ready to face.
