iUniverse, United States, 2010. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The year 1952 begins badly in Cairo. A mob burns every building in the city-dooming the future of the degenerate king and every foreigner and Jew. Youssef Cohen s father sends Youssef, his mother Odette, and his sister to Europe, where he hopes they will be safe; he has no idea that just a few months later, his wife will be dead and Youssef and his sister will be without a mother. In this fictionalized memoir, loosely based on true events, Youssef Cohen shares a poignant story told through the eyes of a man who lost his mother as a child and, forty years later, is still haunted by the memories. He embarks on a quest to learn more about his mother; his search takes him from Manhattan to Venice to Sao Paolo and finally to Cairo. In a narrative stitched together with letters, photographs, and memories of the people he meets along the way, the man creates a fascinating tapestry of his forgotten past. But before the man reaches his mother s grave at a Jewish cemetery in Bassatine, he must understand his own identity in order to heal from the loss he suffered so many years ago.
