Tantor Media, Inc, United States, 2013. CD-Audio. Condition: New. Unabridged edition. Language: English . Brand New. The Muslim Brotherhood, or Ikhwan, has engaged in terrorism, assassinations, and anti-Western, anti-Semitic rhetoric and violence for almost a century-yet few Americans realize how powerful they really are. While we focus on al Qaeda, Hamas, and Hezbollah, it s actually the Muslim Brotherhood, the world s oldest, most influential, and most anti-American Islamist group, that has become the preeminent voice and power in the Muslim world. Hiding behind a cloak of respectability and expensive Western suits, the Muslim Brotherhood is installing vehemently anti-American governments and power structures throughout the Middle East and the world, as we sit back and cheer for the democracy of the Arab Spring. In his new book, *The Brotherhood: America s Next Great Enemy*, Erick Stakelbeck teaches us the frightening truth about this dangerous group, from his first-hand experiences investigating the Brotherhood for eleven years, interviewing its members and visiting its mosques and enclaves. In *The Brotherhood*, Stakelbeck: Reveals how the Obama administration has put the Brotherhood on the threshold of power at every turn Examines the alarming ramifications for America, Europe, and Israel of the Brotherhood s rapid rise Warns against the West s-particularly the Left s-shortsighted, naive, and deadly embrace of the Ikhwan and Traces the group from its violent roots to its current strategy of stealth jihad With Middle Eastern unrest only growing hotter, and saber-rattling at the West only growing louder, the Muslim Brotherhood s growing global clout will remain on the front burner of American national security challenges. Revealing and disconcerting, *The Brotherhood* is a must-listen for every American hoping to remain in a free America.
