

## First Jobs

Filesize: 2.89 MB

### **Reviews**

*This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.*

*(Prof. Loyce Runolfsson Jr.)*

Picador USA. Paperback. Book Condition: new. BRAND NEW, First Jobs, Merritt Watts, Hanya Yanagihara, A future mayor shining shoes, an atheist shilling Bible, a housewife heading to work during World War II, a now-famous designer getting fired - we all got our start somewhere. A first job may not have the romance of the first kiss or the excitement of a first car, but more than anything else, it offers a taste of true independence and a preview of what the world has in store for us. In *The First Job*, reporter Merritt Watts collects real stories of these early forays into the workforce from a range of eras and industries, and a diversity of backgrounds. For some, a first job is a warm welcome to the working world. For others, it's a rude awakening, but as these stories show, it's an influential, entertaining experience that should not be underestimated. This book transforms what we might think of as a single, unassuming line at the bottom of a resume into a collection of absorbing tales and hard-earned wisdom to which we can all, for better or worse, relate. Perfect graduation gift; Picador True Tales is a new series of books in which reporters select short, candid, as-told-to, first-person narratives, and curate them in fascinating anthologies. The stories you'll discover within these books will be by turns hilarious, wise, and heartbreaking.
