Reviews

The book is great and fantastic. It is written in straightforward words and phrases rather than difficult to understand. You won't really feel monotony at any time of your respective time (that's what catalogues are for regarding should you question me).

Brand New Book ***** Print on Demand *****.This is the story of one family s 35 year experience with a profound developmental disability. This extraordinary journey has changed their view of the world, rearranged priorities and transformed their lives. Scott has Angelman Syndrome, a genetic aberration of the 15th chromosome. He has never spoken a single word in his life and virtually all aspects of daily living are dramatically impacted by his condition. While his cognitive and physical challenges are immense, there resides within this incomparable young man a God given capacity to love and be loved. In his unique way, he has changed the world by opening the hearts and minds of those who come within his orbit. His gift to the world is his ability to make those around him better and more productive human beings. Is there a greater calling?.
