Brand New Book ***** Print on Demand *****.Animals are the direct product of their environment. They reactively evolve over-time based on external circumstances. The process of their evolution is slow and random. Human-beings are the indirect product of their environment. Although the environment is the medium through which humans adapt and evolve, our choices determine our environments. This is the fundamental difference. We get to...

Reviews

This publication can be well worth a study, and far better than other. Better then never, though i am quite late in start reading this one. Its been printed in an exceedingly simple way and it is only soon after i finished reading through this book in which really transformed me, alter the way in my opinion.
