Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Industrial Socialism The Most Wonderful Thing in the World - The most wonderful thing in the world today is not at all grand, beautiful, or inspiring. It is the most terrible as well as the most wonderful thing in the world. At first it excites only fear and horror. We do not here mean some frightful earthquake, nor plague of disease, nor war. The most wonderful and terrible fact in the world is the present condition of the working class. In the United States people work for other people, to whom they yield more than two-thirds of their product for the privilege of working. These working people have usually nothing at all to say as regards the amount they receive, the conditions of their labor and when they shall be at work-and when at leisure. They are permitted to live in this country only so long as the few capitalists in it give them work and thus permit them to stay.
