

Freewheeling: Tony s Bicycle Book (Paperback)

By MR Anthony Edward Thorogood

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. A book about a brilliant invention - the bicycle. A book about the joys of cycling, a book that peels back the myths of the cycling fraternity. A book about being a boy on a bike or a girl on a bike. A book that states that the bicycle is for everybody to enjoy. It s all about the adventure of road biking and contains an epic bike ride through Southern England, another through Holland and a third on the West coast of Tasmania in Australia. But there is more, if you want to know about the invention of the Bicycle, Dunlop pneumatic tires, girls bikes, the Penny Farthing, brooks saddles, the Parabike, Lycra bike gear, Carbon Fibre frames, Mountain Bikes, Fixies and more it is all here highly readable humorous and entertaining. I recommend it.

Reviews

These kinds of publication is the greatest pdf available. Better then never, though i am quite late in start reading this one. Once you begin to read the book, it is extremely difficult to leave it before concluding.
