

Le cochon

By Pastoureau, Michel

GALLIMARD, 2013. Couverture rigide. Condition: Neuf. Edition originale. Préface de Jean-Pierre Coffe. 120 pages. Collection Album Beaux-Livres. Description de l'éditeur : "Le cochon est l'animal biologiquement le plus proche de l'homme. Un cousin, symbole de goinfrerie et de saleté mais aussi de courage et de prospérité. Domestiqué vers le VIIe millénaire, le porc est source de richesse : sa chair est synonyme de ripailles, son sang et ses boyaux finissent en boudins et saucisses, sa graisse en chandelles, son cuir et ses tendons deviennent les cordes d'instruments de musique, ses soies, des brosses et des pinceaux. Dans cette histoire sociale et culturelle, Michel Pastoureau évoque les temps forts de la vie des campagnes que sont la Tue-Cochon et la fête de la Saint-Cochon, l'élevage traditionnel et industriel, les tabous religieux qui pèsent sur la consommation du porc et les relations ambivalentes et passionnelles entre l'homme et le cochon."

Reviews

This publication may be really worth a go through, and a lot better than other. It really is written in simple terms and never difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- **Natalie Abbott**

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be playful, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

-- **Rene Olson**
