Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

Bolinda Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A. N. Wilson s powerful new novel explores the life and times of one of the greatest British explorers, Captain Cook, and the golden age of Britain s period of expansion and exploration. Wilson s protagonist, witness to Cook s brilliance and wisdom, is George Forster, who travelled with Cook as botanist on board the HMS Resolution, on Cook s second expedition to the southern hemisphere, and penned a famous account of the journey. Resolution moves back and forth across time, to depict Forster s time with Cook, and his extraordinary later life, which ended with his death in Paris, during the French Revolution. Wilson once again demonstrates his great powers as a master craftsman of the historical and the human in this richly evoked novel, which brings to life the real and the extraordinary, brilliantly drawing together a remarkable cast of characters in order to look at human endeavour, ingenuity and valour.
