

## The Bible Reading of Young Evangelicals

Filesize: 1.04 MB

### **Reviews**

*Comprehensive guide! Its this type of very good read through. It is actually written in simple words and phrases rather than difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## THE BIBLE READING OF YOUNG EVANGELICALS

DOWNLOAD

Pickwick Publications. Hardcover. Condition: New. Dimensions: 9.0in. x 6.0in. x 0.7in. Young evangelicals in Britain often find themselves at odds with an increasingly secular society, and yet the tradition persists and in some places flourishes. Sociological studies into the faith of this demographic group are rare, yet there is much to be explored as to how their faith functions and how it compares to other groups globally. Similarly, given the privilege evangelicals afford the biblical text, how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant. This work addresses that core question. How do young evangelicals make sense of the Bible today? Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities, ordinary hermeneutics, and theological concerns of young adults. Presenting age-related focus groups with challenging biblical narratives, the study compares strategies for negotiating the texts based on age, gender, and churchmanship. It provides a unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests, but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond. It is common knowledge that evangelical Christians take the Bible seriously. A question often overlooked is: how is it read? How do evangelicals find meaning in Biblical passages and how do they negotiate emerging tensions between the text and their cultural identities? This is a study that examines evangelical Biblicism not just as a theological priority but also as a social experience. Ruth Perrin has produced an innovative study, based on careful empirical research among young adult members of evangelical churches in the UK. This is a fascinating volume, full of fresh insights into how young Christians deal with the...
