Createspace Independent Publishing Platform, 2016. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. 500 years after the fall of the Third Reich, the Thousand Year Reich is reborn. After World War Three, humanity was on the verge of extinction after years of endless wars, depravity, pandemics and the insanity of leftist socialism. Out of the ashes, the Fifth Reich was born to replace the tried and true failures of humanity. Now, over twenty years after the First War, The Reich has brought peace to the galaxy, reached to the farthest depths of space, making new alliances and new enemies. \*\*\* . the dogfight had been brutal. The flight of four Falcon-class heavy fighters over NZ8-257 were spotted by long range probes and investigated by a pair of Valkyrie-class interceptors piloted by Lieutenant Jacen Ace Kruger and Lieutenant Jacob Rash Becker, who took them down in a heated battle. During the skirmish, the Centuari flight leader sent a distress call to the cloaked Centuari Carrier hiding in the Neutral Zone, and was answered by Commander Delaara and her wing-man in two Kestrel-class light fighters. They arrived just as Jacen blasted the last Falcon into the abyss, and engaged the Valkyries in a pitched fight. Rash s ship was severely damaged during the fight, and Jacen sent him home while he dealt with the last Centuari. Their game of chicken ended with both pilots being shot down in the upper atmosphere of the planet, crash-landing on a deserted island. \*\*\* In this, the second book in the Fifth Reich series. it takes a special kind of crazy to be a Luftwaffe star-fighter pilot. When a direct hit from a star-ship s pulse cannon can kill you in one shot, things can get insane in a hurry....
