iUniverse, United States, 2009. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Brother and sister Kim and Mick seldom have a dull day. With their mother s strange disappearance from a mountaintop a few months ago and their father and uncle s crazy inventions, the two never know what might happen next. Even the bracelet their mother left behind for Kim acts unpredictably. But things are about to get a whole lot more interesting. When Kim and Mick accidentally discover a formula for alternative fuel using sawdust, one that could be worth millions and ease the country s energy crisis, it looks as though a bright future is in store for them all. But danger lurks. A wealthy landowner, Washington Hamilton, wants the formula, and he orders his henchmen to kidnap the children s father and uncle. The two middle graders set out to rescue their relatives. Mick relies on his brain and technology to assist them, but Kim discovers that her mother s bracelet holds magical powers that help them out of tight spots. From Seattle s Space Needle to a creepy castle and an abandoned aircraft carrier, Kim and Mick race to save their father and uncle. But will they rescue them before it s too late and the secret formula falls into the wrong hands, or will a bit of magic be all they need?.
