Still doing conferences, Saint is distracted by recent harassment and tortures that target Rainbeau men and their spouses in a small town in Missouri. Asked by the White Knights of the Round Table to assist in the troubling case, Saint uses his mental agility and psychic abilities to help capture the man responsible and bring him to justice. Just when he thinks the drama is over, another predicament arises in the form of Saint's sultry ex-girlfriend who has an axe to grind. She is a blast from his past but she won't disappear without wreaking havoc. As their lives unfold, revenge is served to Saint in a manner that is of nightmarish proportions, demolishing his personal life irreparably. Saint is forced into a new life that becomes an emotional roller coaster as he chases a serial killer while simultaneously trying to regain the love and trust of his soulmate. Will Saint be able to outsmart a sociopath? Will Xenia and Saint survive this true test of their union? March with Saint and come find out.
