Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It has been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, altered the way I believe.

Shearsman Books, United Kingdom, 2012. Paperback. Book Condition: New. 211 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.The series of poems in Maxine Chernoff's *Without* are elegiac brushstrokes, each somewhat feathery and brushing in more than one direction, which creates tension and unexpected arrivals as well as departures: someone or something is missing. Parts of the world are wavering and parts have disappeared. What remains is treated in the subtle management of the lines without a hint of punctuation, which allows for waves of attention, as meaning rises and subsides. The emotional impact is powerful, as are the recognitions, such as *when darkness loses / its waiting mirror / and tuning forks / stand in for solace and readers asleep / mouthing their dreams / fears of whispering / become a creed / until life blurs / like any lens / that fails at attention*. There's a sense of meaning passing with the solidity and darkness of time.
