

## Brecon Beacons - New Naturalist 126

By Mullard, Jonathan

William Collins 2014, London, 2014. Hard Cover. Book Condition: New. Dust Jacket Condition: New. First Edition. 8vo. 432 pp., illustrated. Still shrinkwrapped. The first comprehensive book to be published about the wildlife of the Brecon Beacons. It reveals the natural wonders of this seemingly wild and inhospitable mountain landscape. The Brecon Beacons range across upland Wales and create a varied landscape of extensive cave systems, limestone crags and rich meadows. This variety supports thousands of species, some of which are found nowhere else on Earth. The natural history of the Brecon Beacons is like most parts of the British Isles, inextricably linked to the activities of man across many thousand years. Jonathan Mullard explores the evolving landscape and observes its effects on its native species and habitats. He provides a detailed examination of the geology of the region and the integration of the archaeological and historic landscape with the natural landscape and its fauna. Covering the vast diversity of its mountains and moorlands, rivers and waterfalls, caves, woodlands, wetlands and farmland, he provides an overview of man's influence on the natural environment over the centuries and the ongoing conservation of the area. A landscape rich in legends, the Brecon Beacons...
