

Advances in the Study of Entrepreneurship, Innovation, and Economic Growth Vol. 9 : Policy Constraints and Technological Opportunities for Entrepreneurial Mid-Sized Firms

By LIBECAP

Edwin Mellen Press Ltd, UK. Hardcover. Book Condition: New. Dust Jacket Condition: No Dust Jacket. First Edition. 324 Pages. UNREAD. VOLUME ONE ONLY. Two top corners are slightly bumped. The two volumes of "Practical Film Criticism" are an attempt to grapple with the nature of film art through the evaluation of vital and representative instances of that art, created throughout the world, from 1993 to 1998. The essays contained herein are acts of analysis and interpretation, they are neither windy theoretical musings nor impenetrable scholarly tracts. In addition, there are two translations of visionary articles by prominent international directors; an extended interview with an esteemed American movie critic, a speculative piece on the relationships among theatre, fiction and film; an overview of the careers of the Vittorio De Sica and Woody Allen; and a long, polemical introduction. The book is generously illustrated. Book Description: This is the ninth volume in a series of studies on entrepreneurship, innovation and economic growth. The work looks at social and technological factors affecting mid-size businesses, including: education; job training; health policy; and, information technology. Size: 15.6 x 1.8 x 23.4 cm. 300 pages. Quantity Available: 1. Category: Business, Finance & Marketing; Economics. ISBN: 0762303298....
