By Jeffrey C. Pommerville

Jones and Bartlett Publishers, Inc, United States, 2007. Paperback. Condition: New. 8th Revised edition. Language: English . Brand New Book. Updated with additional material for the new Eighth Edition, this popular lab manual offers thirty multipart lab exercises designed to provide students with basic training in the handling of microorganisms, while exploring microbial properties and uses. This lab manual can also be used independently of the main text. An instructor's manual, downloadable from the Web, accompanies the lab manual and provides principles of lab safety; research topic ideas; information on customizing laboratory programs with the manual; helpful suggestions for setting up and running each exercise; and lists of laboratory media, cultures, and special materials used in each exercise.

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).
