Reviews

This type of publication is every thing and helped me seeking ahead and much more. It usually fails to charge too much. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE SECOND TRUTH: KOREAN WAR (PAPERBACK)

Xlibris, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.This is a true story about a young man having to deal with a war. He called it in and returned to me and let me go. A short time later he stopped me again and said he had to give me a ticket for a expired license because there was no war. Therefore, what he had been in is known as the forgotten war. There were no victory parades, no welcome home, only feelings of shame and being made foolish. Korean War Veterans never talk about the war. After my discharge and back home, I took off my uniform and went for a walk in town and saw someone I knew sitting on a bench, he said Hi, haven't seen you in awhile where have you been. I...
