

Professional Nursing Practice: Concepts and Perspectives (Paperback)

By Kathy Blais, Janice S. Hayes

Pearson Education (US), United States, 2015. Paperback. Condition: New. 7th edition. Language: English . Brand New Book. Professional Nursing Practice: Concepts and Perspectives, Seventh Edition, is intended as a text for registered nurses who are in transition or bridge programs to achieve a baccalaureate or higher degree in nursing. It may also be used in generic nursing programs or in transition or bridge programs for vocational nurses (LPNs or LVNs) to complete the professional nursing baccalaureate degree. Professional Nursing Practice helps nursing students explore and understand the nurse's role in the health care environment with coverage on topics including nursing history, theory, ethics, and law, as well as nursing roles, issues, and changes in the profession. Fully updated, this edition includes more information on Quality and Safety Education for Nurses (QSEN), global health, and nursing theory and research. This resource explores the changing health care system especially related to health care economics, nursing in a culture of violence, and nursing in a culturally and spiritually diverse world.
