The fog is just beginning to disperse after sunrise but this is not a problem for navigation because you are just going to follow the western shore. You are the first person in when the gate opens at the West Bay Park and your hand launched vessel slides effortlessly into the water. You are off. You pass a tiny Island 50 yards from the launch. Islands no matter how small always excite my mind. The island is perhaps 20 wide and has one small stick like tree growing on it. This item ships from La Vergne, TN. Paperback.
