Brand New Book ***** Print on Demand *****.OSHA s mission is to assure the safety and health of America s working men and women by promulgating and enforcing standards and regulations; providing training, outreach, and education; establishing partnerships; and encouraging continual improvement in workplace safety and health as well as the development of comprehensive safety and health management systems. Effective and efficient use of resources requires careful, flexible planning. In this way, the overall goal of hazard abatement and employee protection is best served. This instruction provides current policy, information and guidance to Occupational Safety and Health Administration (OSHA) national, regional, and area offices; industry parties; OSHA State programs and federal agencies concerning OSHA s authority over persons working on vessels (inspected vessels, uninspected vessels, and commercial uninspected fishing industry vessels) and facilities on or adjacent to U.S. navigable waters and the Outer Continental Shelf (OCS).
