

Letizia Battaglia: Anthology (Hardback)

By Letizia Battaglia

Drago, United States, 2016. Hardback. Condition: New. Language: English . Brand New Book. Letizia Battaglia s new book shows brutal murders as well as the beauty of her native Sicily. The Godfather and The Sopranos may have romanticized the mob and created a whole genre of gangster movies, but Italian photographer Letizia Battaglia doesn t find the topic all that entertaining. Americans love The Sopranos. They don t believe the Mafia is like (they see on TV), but the Mafia is dangerous like ISIS, she said. When I see ISIS soldiers, I feel like they are a little bit like Mafiosi. They don t give a damn about life. The Mafia doesn t give a damn about anything but their interests and money and don t care who they hurt along the way. Battaglia has seen the devastating effects of organized crime and corruption firsthand. Photographer Letizia Battaglia The 81-year-old Sicilian has spent her career photographing the innocent -- and not-so-innocent -- victims of Mafia murders. My archives are full of blood, she said. But I have also seen such immense beauty in the regular, complicated daily life in Sicily. She has culled the best of her 600,000-strong archive for...

Reviews

This book is definitely not straightforward to get started on studying but extremely exciting to read. It is really simplistic but shocks in the 50 percent of the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
