CROWDFUND 2.0 LAUNCH FORMULA: YOUR ULTIMATE GUIDE TO RAISING MONEY FOR ANY FINANCIAL NEED OR PROJECT YOU HAVE BY HELPING OTHERS! (PAPERBACK)

Createspace Independent Publishing Platform, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Everyone has a dream and a desire to make a difference. Unfortunately, life all too often comes crashing in and we end up forfeiting our dreams for a variety of reasons, some financial. Crowdfund 2.0 provides a pathway to recapturing that passion with the knowledge and tools to create all the money you need for whatever is important to you. Not only will you be introduced to the potential of crowdfunding you will also be introduced to a new and exciting approach that changes the focus. Typically, projects are very much self focused but the new 2.0 method is revolutionary because it is now about empowering others. Crowdfunding is a global phenomenon! The big names in Crowdfunding have been GoFundme, Kickstarter, and Indegogo, and there are hundreds of others. While these have all been proven to work, there are some very real drawbacks. One drawback is that they only use one method of raising funds. A method known as Direct Funding which places you in the the role of a beggar were you are asking for help from others, or like a peddler who sells candy bars or cookies. Crowdfund 2.0 introduces an entirely new approach that makes you a solution provider. It is revolutionary in that it focuses on the needs, wants and desires of others rather than yourself. And as a result, your needs, wants and desires are funded. This book opens a world of new opportunities that will impact your life as well as others in your community.
