Reviews

This book will not be simple to get going on reading but extremely exciting to read through. Yes, it can be play, still an interesting and amazing literature. I am very easily could possibly get a delight of reading a written book.

LOGIC PRO FOR RECORDING ENGINEERS AND PRODUCERS

Hal Leonard Corporation. Mixed media product. Book Condition: new. BRAND NEW, Logic Pro for Recording Engineers and Producers, Dot Bustelo, This Quick Pro guide is specifically designed to help engineers and producers who are already proficient in another DAW software platform, make the transition to Logic Pro. Text, illustrations, and examples are geared toward demonstrating the creative, practical, and technical benefits provided by Apple in this well-developed application. Everything in this book is to instruct someone who is already somewhat proficient in the modern recording world on how to use this powerfully exciting and creatively conceived software tool. The guide includes a Quickstart chapter for instant gratification, allowing the novice to become familiar with the software in a minimum amount of time, along with an accompanying DVD-ROM containing video and audio examples to support the text. Dot Bustelo's signature approach to teaching Logic has been sought out by musicians of every musical genre. She has helped them - and through this book will help you - get up and running quickly. You'll find many of the tips, tricks, and insider techniques that powered Logic Pro to its industry - leading status as the best tool for unleashing creativity in recording and producing.
