

Gender Politics in the Expanding European Union: Mobilization, Inclusion, Exclusion (Hardback)

By -

Berghahn Books, United Kingdom, 2008. Hardback. Condition: New. Language: English . Brand New Book. In May 2004, after bringing their legislation into accordance with EU regulations, ten more countries joined the European Union. The contributors to this volume assess the impact of this historical development on gender relations in the new and old EU member states. Instead of focusing on either western or eastern Europe, this book investigates the similarities and differences in diverse parts of Europe. Although initially limited, gender equality was part of the original framework of the European Union, an organization often more open than national governments to feminist demands, as this volume illustrates with case studies from eastern and western Europe. The enlargement process thus provides some important policy instruments for increasing equality between men and women.

Reviews

Most of these publication is the perfect ebook accessible. It is amongst the most awesome publication i have got read through. You wont truly feel monotony at whenever you want of the time (that's what catalogs are for regarding in the event you request me).

-- Prof. Edgar Kshlerin

It is easy in study safer to comprehend. It can be writter in basic phrases and never confusing. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- Emmitt Harber
